Can you help us keep Fistral beach clean?

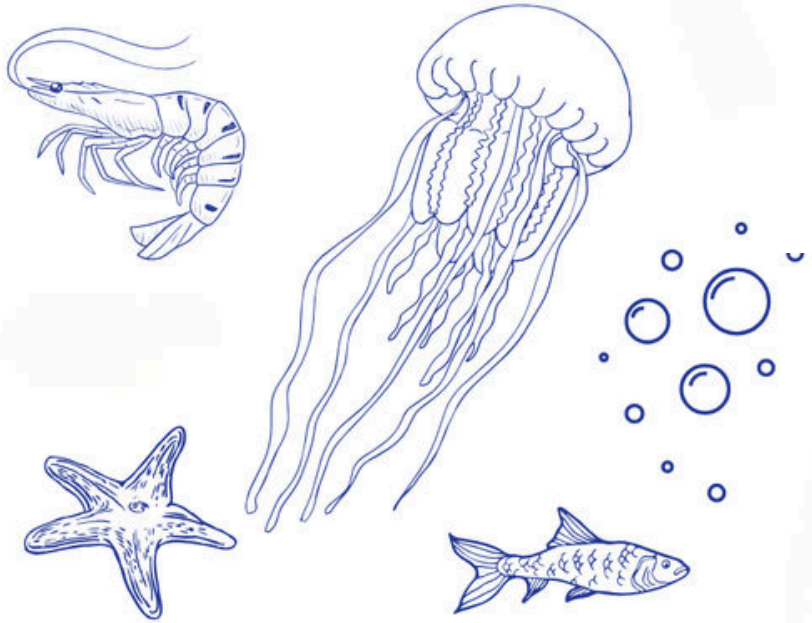

52%

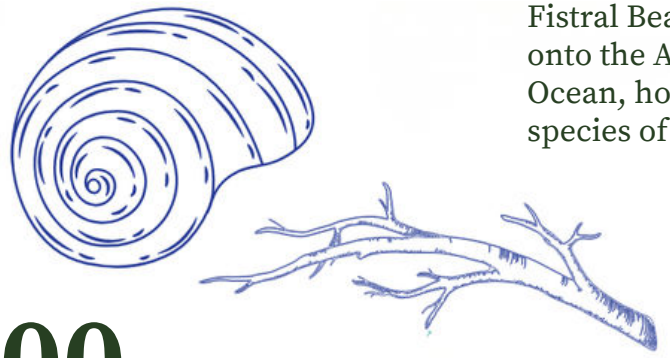

of all turtles have accidentally eaten plastic in the ocean.

450

years it takes for plastic waste to disappear.

Fistral Beach looks out onto the Atlantic Ocean, home to several species of aquatic life.

300

million plastic bags end up in the Atlantic Ocean.

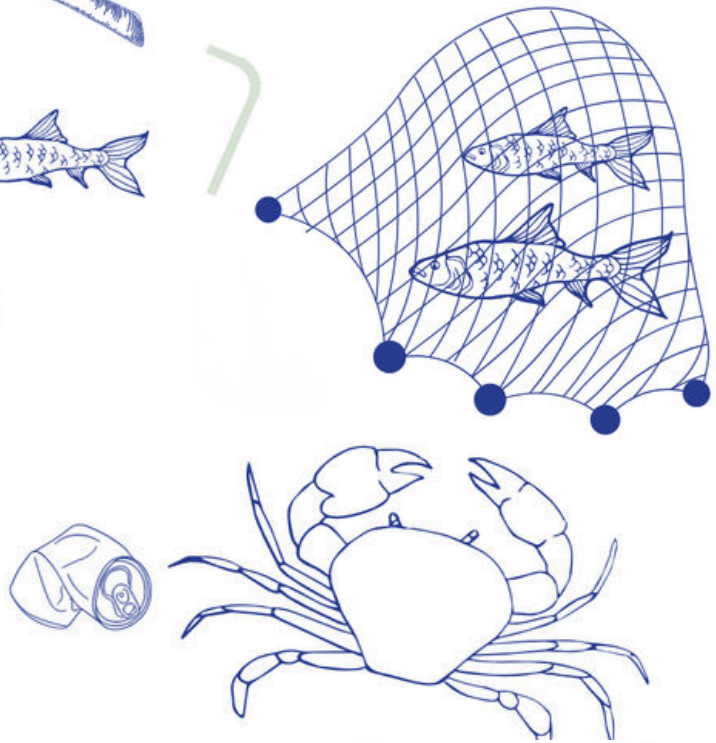

80%

of all marine rubbish found is made of plastic.

Be a beach hero!

Tiny hands, big clean up plans!

Leave nothing but footprints...
