

## AquaClub user Terms & Conditions

1. The AquaClub is open from 8am – 8pm. The 25-metre pool may have specifically reserved times for training.
2. The facilities do not have a lifeguard and you swim at your own risk. Children under 16 must be supervised by an adult at a ratio of one adult to two children. Children and teenagers who do not follow the pool attendants' instructions will be asked to leave if their actions are deemed to put themselves or others at risk.
3. For expectant mothers and children under the age of 16, we recommend that you do not use the sunset spa, hydrotherapy pool and sauna. The Edge pool surrounding the Sunset Spa, the 25-metre pool and the splash pool are all suitable.
4. Users of The AquaClub may not bring in their own food (with exception of baby food) or drinks under any circumstances whatsoever. The use of drinking glasses/crockery is not permitted outside the designated area.
5. Car parking is available to members whilst the facilities are being enjoyed on site. Our hotel car park is monitored by Automatic Number Plate Recognition (ANPR) cameras operated by the third-party provider, National Parking Control (NPC). The system is used for parking management, and all data collected is processed by NPC in accordance with their own privacy policy. The hotel does not control or manage parking enforcement, fines, or data handling. It is the responsibility of the driver of any vehicle entering our site to register their vehicle at reception to ensure they are not issued with a fine. We do not accept liability for any incorrect fine issued by NPC.
6. Personal belongings are the responsibility of each member of the party, and lockers are provided. Whilst lockers are available, you are advised not to leave valuables in The AquaClub. We do not accept liability for the loss of, or damage to, such items in accordance with the Hotel Proprietors Act 1956.
7. We accept no liability whatsoever for any accident, loss or damage to property, unless such loss is demonstrably due to our negligence. We cannot be held responsible for failure of public services (e.g., water, gas, electricity etc.), or any disturbance that is beyond our control. In all cases, except personal injury or death, our liability to you for the total of all claims arising out of your visit to The AquaClub is limited to the cost of the booking.
8. Smoking is not allowed in any part of The AquaClub, including the outside pool and terrace area.
9. In the interest of safety, running, jumping and diving are not permitted in any of the pools. The use of inflatables, snorkels, wet suits, surf boards, flippers and balls are also prohibited.

10. Guests should be suitably attired whilst using the facilities. Please remove all jewellery before using the wet facilities and sauna. Some swimming costume fabrics are more easily bleached by the chemicals used in our Sunset Spa, Vitality and Hydrotherapy pools, so ensure you rinse them immediately after use. Please follow the health guidelines of 20 minutes per session. The AquaClub will not be held responsible for any damage or failure to comply.

11. Dogs are not permitted in The AquaClub pool area or The Deck restaurant.
12. We do not permit press or blog reviews by members of the press, guests or members of the public without prior written consent in conjunction with our PR department.
13. CCTV is in operation in public areas for security reasons.
14. Behaviour of AquaClub and The Deck guests should not be rude, excessive or rowdy, and must not cause annoyance, distress or embarrassment to fellow guests or staff. Threatening, offensive or illegal behaviour will not be tolerated. We reserve the right to recover from the person making the booking any discretionary compensation payment, or discount, that we may have to give to any other guests, as a result of your actions, or by a member of your party. This includes damage to the building, fixtures and fittings. Failure to comply with any of the conditions may result in you and your party being asked to leave immediately. The account will then be due in full with no refunds. Overdue accounts will be charged 8% interest over base rate. If behaviour falls below the expected standards re-entry may not be allowed.
15. You are specifically advised not to undertake strenuous physical activity for which you might be medically unfit. The hotel will not be responsible in any way for any harm which may come to a guest or member of the Spa as a result of your activities within the leisure area, or if you undertake any activity which is beyond your physical capability. People must not use the facilities whilst under the influence of alcohol or if you have a contagious disease, infectious skin condition, open sores or wounds.
16. For safety reasons, the hotel reserves the right to restrict the number of guests using the facilities at any one time. The AquaClub may close for certain periods of time for necessary maintenance, redecoration and exclusive events or for any other reasons that the hotel may deem necessary. Notice of any changes will be displayed at the hotel and AquaClub Reception. We will do our best to ensure that guests and members are not inconvenienced; however, there will be no refunds during these periods.
17. During windy and inclement weather conditions (at any time of the year) access to the outside deck area containing the Sunset Spa, Edge and Vitality pools will be restricted. From November to Easter the Edge Pool offers the healthy experience of an unheated and bracing plunge pool. During the quieter winter months from early November to late March these outside pools may not be in use during very cold wet and windy weather but we certainly plan to have them open for the Christmas and New Year period and for February half term if at all possible.
