RenMor

Inspired by the Cornish for 'Restaurant by the sea'

We are very pleased to welcome you to RenMor, perched fifty feet up on Newquay's Towan Headland, directly overlooking the pounding surf of Fistral Beach.

Provenance is at the very heart of everything we do. All our ingredients are sourced ethically, sustainably and, where possible, from Cornwall's incredible bounty.

We work directly with the fishermen and farmers across the county and closely with artisanal producers to find the very best produce. We cook simply with care and love and never try too hard with our ingredients, allowing them to shine.

RenMor is an amazing dining experience that takes you on a seasonal journey that showcases the very best of Cornish produce. We hope you have a wonderful time with us.

A note from our Chefs

'In Cornwall, we are so lucky to have such a great food culture and access to people that are really leading the way for food production here in the county and beyond. From local fishermen landing fresh, sustainable seafood each morning, to farmers striving to produce the best quality organic fruit and veg at nearby regenerative farms, RenMor champions the best from our brilliant and bountiful land.'
